

Agenda Item for Town Council meeting planned for

Input by Cllr *A. Hutton*

Sept 26th 2018

Issue

The public in general are not aware of what facilities are provided from the precept for the benefit of the Community

Background

This Council support, for example the Public Toilets, King George Vth playing fields, the Cemetery bus shelters ,CCTV etc.

Proposal/What is the desired outcome? What is required of the Council?

Proposal

That we brand these facilities with the Council logo ie 10 bus shelters can have notices attached to say "" This bus shelter is provided by Caldicot Town Council on behalf of the Community" also that on each CCTV pedestal a similar notice is attached.

Desired Outcome

The desire outcome should allow the public to become aware of our actions

Benefits of proposal

Greater awareness of the work of Caldicot Town Council.

Agenda Item for Town Council meeting planned for

Input by Cllr

Hasson

Sept 26th 2018

Issue

Caldicot does not have a recognised public flag with which to promote the Town .

Background

A Green Infrastructure Project will be underway shortly to improve the wellbeing of the environment of the Town, contained in the project are plans to install two flagpoles at King George Vth playing fields.

Proposal/What is the desired outcome? What is required of the Council?

Proposal

I propose that we commission a formal flag for the Town ,taking into consideration the views of such bodies as the History Society ,Churches etc.etc

Desired Outcome

A Flag or flags can be flown at points across the Town to uplift the status of Caldicot.

Benefits of proposal

The promotion of the Town as a vibrant entity
