

Caldicot Christmas Light Switch-on

Unfortunately, because of the current pandemic we are unable to hold the usual event to switch on the Christmas Lights in Caldicot Town Centre organised by Caldicot Events Committee. Instead we are supporting Kre8tive Kidz by decorating a shop window in the town centre as part of their Magical Christmas Window Hunt which will run from Saturday 5th December 2020 to Friday 1st January 2021. The town centre Christmas trees are up and the lights will be installed and switched on soon.

Every child in Caldicot Primary schools and Nurseries will receive a small selection box and Father Christmas will make a safely distanced visit towards the end of term.

Caldicot Events Committee would like to thank Caldicot Town Council, Wilkinson Distribution Centre, Tesco Chepstow and Monmouthshire County Council for their support, Ellis Lee of Events ML for his expertise and Julian Bladen of Bladen Property Consultants for the use of the unit for our display.

The pandemic has affected and prevented so many celebrations this year so Caldicot Events Committee are planning their Carnival in 2021 to be bigger and better than ever and to incorporate elements of VE and VJ days that had to be cancelled in 2020. The theme will be 'War and Peace' to not only reflect the sacrifices made during the war but also the hardships endured by many during this pandemic.
