In July 2026 for the Caldicot area, as you can see Public Order is the top crime category

PLISMONA CYMDOGAETH – Y NEWYDDION DIWEDDARAF NEIGHBOURHOOD POLICING UPDATE

Main issues for Caldicot for the Month of July are:

- We are noticing an increase/ Anti-social behaviour hot spot developing in the grass field near Caldicot Playground, behind Wentwood view and Clos ger y Nant. Youths have constructed bike jumps in the wooded area. We are receiving reports of deliberate fires being lit in the area. Very recently we have seen an increase in off road motorbikes being used on the joint foot and cycle path in this area. We are seeing a decrease in anti-social behaviour in this area.
- A large group of travellers set up in the fields of Sudbrook cricket ground, next to Caldicot leisure centre. The travellers have since departed, and reassurance visits were conducted to local residents who were directly distressed by the traveller presence.
- We are seeing an increase of use of e-scooters. We continue to monitor this and attempt to identify persons riding. Any scooters stopped will be seized.

Good work:

- Our PCSO's continue to engage with the community and set up regular surgeries to stay connecting with the community.
- Multiple proactive patrols have resulted in several successful stop searches with illegal substances seized.
- A speed enforcement operation took place on the first of July on Newport Road. Which saw one vehicle seized for no insurance. No recorded speeds met the threshold for a traffic offence report.
- A new intake of PCSO's have landed at Caldicot. They will work with the team to engage with their new communities and introduce themselves to the public.
- We continue to inform members of the public about our new messaging system "Neighbourhood Matters". QR code for signing up can be found below.

Where can you meet us?

- Our next police surgery is on September 9th at Together Works between 1:30pm and 2:30pm
- Dates will be released on our Facebook page and Neighbourhood matters of any upcoming surgeries or community events in the Caldicot Area

We are looking to engage more with groups and tackle issues in the community proactively. Contact us if there are any engagement opportunities that you would like us to be a part of, or specific issues within your community that the police can look in to. See contact details below.
