125/2025-26 Welcome

The Chair welcomed everyone to the meeting and informed Members that the meeting was being recorded.

126/2025-26 Apologies for Absence

RESOLVED to receive apologies for absence from Cllr G Owen.

127/2025-26 Declarations of Interest

There were no declarations of interest received.

128/2025-26 Public Question Time and Participation

Members received the following queries:

- Concerns were raised regarding Oakley Way and Sandy Lane allotments, with members of the public highlighting insufficient communication regarding the ongoing water leak investigations, delays in convening an Allotment Working Group meeting and unwillingness to make rental payments whilst the issues remained unsolved. Further concerns were raised regarding significant increases in water bills at both sites, a perceived inconsistency in the treatment of different allotment sites and a request for clarification regarding the provision and accessibility of the water supply. Allotment holders informed Members that they had contacted Welsh Water and engineers had attended the site. Further concerns were expressed regarding the perceived lack of prompt action by the Council.

Members informed that an Allotment Working Group meeting had been scheduled for April 2026 and that only appointed representatives would be invited to attend. Members noted that Officers were actively investigating leaks and that Welsh Water had confirmed that the Town Council is permitted to turn off the water supply at the meter. The Clerk reiterated the Council's statutory duty to safeguard public funds and minimise water wastage, and that there is no statutory obligation for the Council to provide water at the allotment sites.

Members informed that there is currently no allotment representative at KGVPF and that water charges at that location were not considered excessive. The Clerk confirmed that the combined water bill for Oakley Way and Sandy Lane allotments for the previous year exceeded £1,900.00 and that significant investment had been made in the allotments over the past three years.

Members raised concerns regarding the reported attendance of Welsh Water engineer at the allotments sites, as Welsh Water confirmed to Town Council that no such jobs were recorded for Oakley Way or Sandy Lane allotments.

Members noted that additional measures were under consideration, including the installation of water sensors, water butts and underground water storage tanks.

Members emphasised the importance of improved communication with allotment holders via the appointed allotment representative. Members advised that the water supply would be reinstated when appropriate.

- A concern was raised regarding the town centre planters and lack of maintenance. The matters raised included the presence of weeds, litter and inadequately maintained planters, as well as the lack of weekend cleaning provision. Concerns were expressed regarding the impression this may portray during forthcoming civic visits and a request was made for enhanced communication regarding the actions being undertaken by the Town Council.

Members advised that maintenance of the town centre is the responsibility of Monmouthshire County Council, however, the Town Council have adopted the watering maintenance. Members informed that a water bowser will be deployed to maintain the watering of the planters within the town centre. Members of the public noted that sensors have been installed in partnership with Monmouthshire County Council, to enable targeted watering.

129/2025-26 Report from Gwent Police

Members agreed that the item be brought forward due to time constraints.

Members were informed of the report and matters pertaining to Caldicot.

Gwent Police were informed of vehicles on the pedestrianised area of the town centre and received concerns regarding the openness of police stations.

Members thanked Gwent Police for their work and **RESOLVED** to note the report.

142/2025-26 Date of Next Meeting

Members **RESOLVED** to note that the next meeting of Full Town Council (Planning and Resources) is scheduled to be held on Tuesday 14th April 2026.

143/2025-26 Exclusion of Public and Press

RESOLVED By virtue of The Public Bodies (Admission to Meetings) Act 1960, the press and public are excluded from discussions on the following item on the basis that disclosure thereof would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted.

COMMITTEE IN PRIVATE SESSION

144/2025-26 Memorial Wall Contract

Members noted that the Council had previously reviewed the design for the memorial wall and agreed to proceed with its creation, subject to quotations. Members were advised that three quotations were sought in line with Financial Regulations, however, only one quotation was received.

Members **RESOLVED** to accept the quotation of £2,800.00 + VAT from John Ball and delegated authority to Officers to proceed with the work.

Proposed by Cllr C Cochrane, seconded by Cllr P Strong.

Members noted that the previously agreed plaque for a supposed war grave would not proceed, as the Commonwealth War Graves Commission confirmed that the grave in question was not classified as a war grave.

145/2025-26 Cemetery Hedgerow

Members considered the condition of the hedgerow bordering the cremated remains section. Members noted that the planting would occur towards the end of 2026 due to the planting season. Members were advised that three quotations were sought in line with Financial Regulations, however, only one quotation was received.

Members **RESOLVED** to accept the quotation of £2,500.00 + VAT from John Ball. Proposed by Cllr C Cochrane, seconded by Cllr A Mayo.
