COMMITTEE IN PRIVATE SESSION

50/2024 Refurbishment of Caldicot Town Council Offices

i) CCTV and Alarm in the Town Council Building

Members were asked to receive a verbal update from the Deputy Town Clerk and consider the only quote received for the update of CCTV and the alarm at the Town Council offices as part of the refurbishment. Members noted that two other quotes had been sought – the original contractors within the building were not able to quote and the other local company invited to quote had not submitted a quotation.

Members considered other options for the alarm and CCTV in the Town Council offices but after some discussion **RESOLVED** that in light of the fact that only one quote had been received and the time constraints on the work as the Council would like to move back into the building very soon that to meet health and safety requirements that the quote from Bemrig for £10,875 + VAT.

ii) Blinds for Caldicot Town Council offices

Members were talked through the three quotes received for replacement blinds at the Town Council offices.

Members spoke about the initial quote for the blinds which Members had received at a previous meeting from which Members had asked for other quotes to be obtained. Members spoke about all the quotes and the quality and thickness of the blinds given that users of the hall would open and close them too.

Following lengthy discussion members **RESOLVED** that the quote for £1990.00 + VAT be accepted, noting this included the safety hooks for the cords, but Deputy Clerk was asked to negotiate with the supplier over price. Members noted that this included the taking down and removal from site of the old blinds.

The Mayor reported that it looked like the Internal Audit Report was going to be good with only a few matters raised and that the Audit part of the End of Year AGAR would be filled in and returned by the Internal Auditor. The Council were very pleased and thanked Deputy Clerk for all her hard work.
